God's Signature over the Nation's Capital: Evidences of Your Christian Heritage

Love this book! Wish it was updated with more pictures but the info was awesome!

Love this author, she is quite knowledgeable.

God's Signature over the Nation's Capital: Evidences of Your Christian Heritage A MUST HAVE...especially if you are going to tour Washington DC. This is a wonderful book to learn about our nation's Christian heritage. I was born in Washington DC and lived just outside of the city my whole life. I have taken and given many tours of the city and never knew the information in this book.
