The Mutts Winter Diaries (Mutts Kids)

Synopsis

Yesh! Mooch, Earl, and all their endearing Mutts friends are back in this second Mutts collection for kids! It's wintertime for our favorite furry friends, Earl and Mooch, and they have a lot to do to get ready to hibernate: • Step 1: Fill their bellies with shnacky snacks. Step 2: Cozy up on their people's warm laps. • Or maybe instead of hibernating, Mooch and Earl will help Shtinky Puddin', Bip and Bop, and the rest of their buddies enjoy the beautiful and magical winter season. Take a peek at The Mutts Winter Diaries to find out. • You can help your animal friends, too! • Check out the More to Explore section in the back of The Mutts Winter Diaries to find out how you can make sure winter critters stay warm and full of snacks through the cold, snowy months.

Patrick McDonnell's Earl and Mooch are the same as any pet I have ever been owned by. I love that Mr. McDonnell is honest about the fact that there are animals without homes and animals that are sandwiched into cages to produce "stock" for pet stores. I love Mooch's dreams and his portrayal of an oracle sphinx. Earl is every dog I have had. I am definitely owned by them. I know there are 2 dogs that like Earl call me "my Marta". Goofy fun and a reminder about caring for the planet.

great comic style book, my 9 year old sons read it over and over

My 8 year old son - and his 46 year old mother - thinks this book is fantastic! His only wish is that it was longer!

It would be better if there was less characters just the cat that says yesh and the dog that's unusually on a walk

I think Patrick McDonnell is a national treasure. His zen-like drawings are amazing, and the wisdom he dispenses fills your soul. This collection is yet another proof of this talent.

I love Mutts comics and this book does not disappoint. Mooch and Earl make me want to run to the Humane Society and adopt all the dogs and cats (and if I didn't have allergies to them, I would!).

8 yo loves this

This book is absolutely beautiful. The illustrations are amazing. Patrick McDonnell does it again.
