Robin and Jenny McKelvie are a husband-and-wife team who have visited 70 countries and more than 200 cities. They have been published in over 40 magazines and newspapers worldwide and have written more than a dozen travel guides.

The book and the map were more than just helpful in our recent trip to Bermuda. They were key in planning our days. The map, while a bit large when unfolded, proved to be accurate for us.

interesting

With both books, I was well informed about what to do and see in Bermuda. I really needed both books. Each one has its strengths and weaknesses. I would recommend buying the two books together, it was worth the extra money.
