Michael Clarke: My Story

Synopsis

He was the greatest batsman of his generation and, as captain, possessed the sharpest tactical mind in the game. Bursting onto the scene in 2004 with a Test century on debut, Michael Clarke was Australian cricket's golden boy. And the batting prodigy they nicknamed 'Pup' certainly fulfilled his destiny in a stellar 11-year international career of 115 Tests, 8643 runs and 28 centuries. Clarke's rollercoaster four-year reign as Test captain was marked as much by bravery as brilliance - a 5-0 whitewash of England in 2013-14, the 2015 World Cup triumph, and a ten-hour unbeaten 161, batting with a broken shoulder to lead Australia back to the #1 world ranking in 2014. Yet Michael Clarke also sparked fiercer debate than any other Australian sports star. For a decade his personal life, career fortunes and controversies - real or imagined - were splashed across front pages and scrutinised. Was he simply a hard-working, western suburbs kid living every Aussie boy's dream? Or a 21st century cricketer mired in all the trappings of celebrity? In the echo chamber of social media, the truth about Michael Clarke was warped, then lost. Clarke's enigma deepened but he kept his mouth shut and his dignity intact, knowing the chance to tell his extraordinary story would finally come. And now it has. *My Story* is the real Michael Clarke, standing up and speaking out for the first time. Bucking the conventions of traditional biography to go hard at the big issues, Clarke speaks fearlessly and poignantly about the scandals, rumours and explosive moments of his life; revealing the amazing truths, private pain and personal triumphs that no one realised. It's the incredible story of a remarkable Australian you never really knew. Until now.

Customer Reviews

Great book from Michael Clarke. His autobiography confirms to the reader his relentless work ethic and his positivity towards the game of cricket. Very few captains moved the game as much as Michael and it was always entertaining to see his field settings for batsmen. I was fortunate to watch Michael in live his debut test and one of his last few games and am very grateful for the experience. Thanks Pup!

Look this isn't my first review, so I'm putting my best foot forward and grabbing it by the throat!...so to speak. I opened it but to be honest I only lasted until about the mid 30s before I had to go out. Michael clearly hadn't done his homework, and the book has less highlights than his hair. No surprises that it is only available as a soft cover. Overall: would not recommend to the boys.
