Grade 5 "7" Stacey is the new girl in town. She has made three good friends in a babysitters club but her memories of her old friends still haunt her. Many of them, including her best friend, Laine, ditched her after she was diagnosed with diabetes. Her parents aren't much help; they keep dragging her from doctor to doctor looking for a miracle cure. All Stacey wants to do is manage her condition on her own terms. An impending trip back to New York and a rival babysitting club has Stacey confused and nervous. Will she be able to reconcile with Laine? Will this new group, complete with sitters who can stay up late, end the club for good? The graphic adaptation of the

hugely popular series has as much heart as the original. The girls' dedication to the kids they care for and to their friendship never comes off as hokey. The black-and-white cartoons capture each character's personality; the facial expressions say a lot. Each girl has her own style. The outfits have been updated but the skirts haven't gotten shorter. A solid purchase for both school and public libraries.â "Sadie Mattox, DeKalb County Public Library, Decatur, GA Copyright Â© Reed Business Information, a division of Reed Elsevier Inc. Praise for the BSC Graphic Novels: "The artist adds abundant energy to the pages and, largely through amusingly exaggerated facial expressions, ably captures each character's personality." -- Publishers Weekly "Crisp and spot on." -- Booklist "Unique and original." -- VOYA

My 10 year old loves these books! I'm hoping they carry over to interest in the old Babysitters Club books!

This is the most interesting equine popular collects book I have ever read I can't wait to get more.AWESOME

I'm always trying to find something to get my granddaughter interested in reading. Luckily I discovered these graphic novels. My granddaughter loves this series.

My daughters love this series of books. They are 10 and 12.

My 9 year old granddaughter could not put it down and insisted on finishing it in one sitting even thought that meant reading the last 20 pages in the backseat of an automobile where she always gets carsick!

Why are these particular Kindle books unable to be returned for a refund, even minutes after order, while other books are easy to return for a refund? Very frustrating. I would have posted this under .com/feedback, but that doesn't work for these books either.

Good book

I am scoring some serious "parent points" with the purchases of "The Babysitters Club - The Truth About Stacey", "Smile", "Sisters" and "Oh, Brother! Brat Attack!". So very pleased to see my daughter turning off the TV and putting down the phone to enjoy reading these and other FABULOUS books!!!
