## Customer Reviews

A wonderful collection of handmade products arranged in an eye-catching and engaging way with seasonal & inspirational quotes. This colorful coffee table book is a nice conversation piece for visitors, especially anyone that loves to create handcrafted products. As a handmade jewelry designer, I can get a sparkly spur of creativity each time I review my fellow artisans' work.

Beautiful book. Gorgeous colors, the narrative that goes along with the pictures is sweet. The only problem is it makes me hungry! This was such a treat in so many ways. I am going to get this to gift to friends.

The perfect coffee table book for makers and creatives looking to be inspired! I loved every page
