The White Album

Synopsis

First published in 1979, *The White Album* records indelibly the upheavals and aftermaths of the 1960s. Examining key events, figures, and trends of the era - including Charles Manson, the Black Panthers, and the shopping mall - through the lens of her own spiritual confusion, Joan Didion helped to define mass culture as we now understand it. Written with a commanding sureness of tone and linguistic precision, *The White Album* is a central example of American reportage and a classic of American autobiography.

Book Information

Audible Audio Edition

Listening Length: 7 hours and 20 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Audible Studios

Audible.com Release Date: March 22, 2013

Language: English

ASIN: B00BYM8FQO

Best Sellers Rank: #48 in Books > Audible Audiobooks > Fiction & Literature > Literary Collections
#331 in Books > Literature & Fiction > Essays & Correspondence > Essays

Customer Reviews

After stumbling on this book on a blog that featured a rave review, I had to get this. *THE WHITE ALBUM* is an amazing collection of essays about the 60s and 70s, its people, events, and zeitgeist. Also, snapshots of the author's life were quite interesting. I'd love to read more from this author, both her fiction and non-fiction.

Not quite as good as "Slouching Towards Bethlehem", but still a master class in excellent writing. Will entertain you even about subjects you didn't think you cared about.

Love her writing. Great collection of essays.

This book shows great insight into the period of the 1960 and 1970s. This was the first book I read by Joan Didion and highly recommend it for both reading cover to cover and selected essays.

Vintage Didion. The best. Savored every word.

It wasn't because I was living in Canada when I first read Didion -- and was starved for a unique, incisive look at Americana -- it was because Didion nails it. When a writer touches you, her books are your food.

Great book! Did not expect to enjoy this as much as I did. Definitely pulls you in.

Re-purchase as my copy disappeared some years ago. Great copy.
