Customer Reviews

Thanks for the guide. This is a great book I learned many new things for my favorite games that I grew up with plus a few tricks I forgot about. It is helpful before playing these classic games. Going

to try playing some of the games later.

This is a great book I learned many new things for my favorite games that I grew up with plus a few tricks I forgot about.

I learned a lot of techniques from this book. Kudos to the author for putting it all here in one book.

This is a must have guide for anyone who has the NES Classic Edition or an original NES. The author put all the points here nicely and I found it quite easy to follow. A perfect company for the Nes classic for current generation of gamers. It's complete and enables me to learn the secret passages.
