Synopsis

Accelerated Reader is a program based on the fact that students become more motivated to read if they are tested on the content of the books they have read and are rewarded for correct answers. Students read each book, individually take the test on the computer, and receive gratification when they score well. Schools using the Accelerated Reader program have seen a significant increase in reading among their students. Fifty-six newly released titles that provide a fascinating portrait of the many peoples that inhabit Africa. These books have natural curriculum tie-ins with multiculturalism, geography, and social studies.

Gr. 4⁺-7. From the Heritage Library of African Peoples series, this volume introduces the Luo people, focusing on those in the Nyanza Province of Kenya. Situated on the shores of Lake Victoria, the area is regarded as the ancestral homeland of the Luo. Ayodo describes their language, history, social structure, traditions and culture, and discusses how their ways are changing as they adapt to life in modern Kenya. Photographs, many in color, illustrate the ways and the traditional dress of the Luo. Maps are included. Carolyn Phelan

This is an easy to read, clear and precise on Luo Culture. Fantastic to support in relating to close relatives the Luo Culture as it was and how it is evolving. For maximum benefits and good understanding, the reader/narrator needs to understand the basic Luo Culture from first hand Luo people or those who were brought up in Luo Land. This book can be a bridge for the Luo emigrants

abroad and their families who stay with them abroad.
