Becoming Me/It's My Life/Who I Am (Diary Of A Teenage Girl: Caitlin 1-3)

Synopsis

This box set includes three titles from the Diary of a Teenage Girl series by best-selling author Melody Carlson. *Becoming Me* In the fictional Diary of a Teenage Girl, sixteen-year-old Caitlin O'Conner reveals the inner workings of a girl caught between childhood and womanhood ... an empty life without Christ and a meaningful one with Him. Through Caitlin's candid journal entries we see her grapple with such universal teen issues as peer pressure, loyalty, conflict with parents, the longing for a boyfriend, and her own spirituality. *It's My Life* Caitlin O'Conner faces new trials as she grows in her faith and strives to maintain the recent commitments she's made to God. As a new believer, Caitlin begins her summer job and makes preparations for a Mexico mission trip with her church youth group. Torn between new spiritual directions and loyalty to Beanie, her best friend (now pregnant), Caitlin searches out her personal values on friendship, romance, dating, life goals, and key relationships with God and family. Tough choices threaten her progress, and her year climaxes in her realization that maturity sometimes means life-impacting decisions must be made ... by faith alone. *Who I Am* It's challenging enough to be a normal high school senior -- but Caitlin O'Conner has a host of new difficulties to deal with in the third book of Melody Carlson's widely popular and fascinating teen series. Time is critical to help the orphans in Mexico, missions-minded Caitlin believes, but Mom and Dad are set on her attending college. Meanwhile, her relationship with Josh takes on a serious tone via e-mail -- threatening her commitment to "kiss dating goodbye." When Beanie begins dating an African-American, Caitlin's concern over dating seems to be misread as racism. One thing is obvious: God is at work through this dynamic girl in very real but puzzling ways. A soul-stretching time of racial reconciliation at school and within her church helps her discover God's will as never before.

Customer Reviews

Christian teen books that are just plain stories are really hard to find. So, I ordered as many different authors as I could find. Well, this book is WINNING!! My 13 year old loves it. She says its "real" sounding. As if a teen wrote it. I am all for stuff that keeps my kids interested. Thank you Melody for this book! As an adult, I see it deals with real issues, such as self image and comprehending tragedy. Just an all around good purchase.

I purchsed this book for my 14 old daughter for which it did not entirely grab and keep her attention. I did read the book and thought it was O.K.. It gives insight into a teenage christain girls' thoughts on the importance, or so she thinks, of being popular, dating for the first time, deciding not to date because it threatens her ability to remain true to her strong beliefs,teen pregnancy via Caitlins BFF, and insight into her thoughts on why not to abort a baby, teenage girls relationships with parents, the vulnerabilty of parents in the world, parents who make the wrong choices,and about forgiving others. Although Caitlin is about 3 years older than my daughter I felt a lot of the topics may very well be relative to her high school world. I have been very open and honest with my daughter regarding these issues therefore felt comfortable giving the book to her. In giving her the book I also had hopes that it may give her early insight into these matters from the perspective of another (fictional) teenage girl.

This book, "becoming me", has helped me realize that faith is more than a feeling and that we should always put God first. This book of the first series is very powerful and griping in every way imaginable. I am now strengthened and believe that I can accomplish more with God's help. I hate this a five star!

daughter LOVES the series. she can really relate and wants more books.

Gave this to my tween daughter who just started junior high this year and has been dealing with all new body changes, hormones, feelings, social circuits, as well as a huge amount of responsibility in school. I plan to read it with her.

Every teenage girl should read this book. Read this book when I was a teen and now bought it to pass down to my sister who is 15. Melody Carlson definitely has a way to reach teens in a unique manner

This was a gift for my 13-year-old daughter....she couldn't put it down. Now we need to order the next book in the series!

Chose this book for my daughter because I was looking for a contemporary teen fiction book that upheld Christian values. At the same time looking for something real, not saccharine-y and pat, something about real issues young people face. I have not read the book myself, but read the recommendations. My daughter read it and loved and said she wants the next one in the series.
