Average Customer Review: 4.5 out of 5 stars 18 customer reviews

Best Sellers Rank: #244,942 in Books (See Top 100 in Books) #133 in Books > Textbooks > Humanities > Foreign Languages > German #2218 in Books > Reference > Dictionaries & Thesauruses > Foreign Language Dictionaries & Thesauruses #3221 in Books > Reference > Foreign Language Study & Reference

Customer Reviews

This is just a review for the Kindle version. The formatting is very clunky, and you wind up reading two very narrow columns, German on one /English on the other, and it is very disorienting. Also, the columns can only fit a few words per line. If you turn the ebook to landscape mode, the formatting doesn't change/accommodate. Unlike the paper book, which has an entire section in German and then English, the Kindle version is barely readable in its current format. I wound up returning it and will order the paper book.

I have several of Brian Smith's German readers and have found all of them very beneficial. This one was excellent for me transitioning to an intermediate level; adding to my vocabulary, reinforcing my grammar, and sentence word order. I highly recommend it .

Has to be the best series of German readers out there and I've gone through quite a few. Couldn't disagree with the one reviewer's post more: the kindle version is fantastic.

Great book. It starts off with very simple sentences and get progressively more difficult. I think it's a great learning tool.

The stories were exactly the right level for an intermediate-level reader but somewhat wierd.

Very helpful. A good learning tool.

Great product to learn German. I recommend the whole series which I am working through right now. The books are really helpful and easy to follow.

first intermediate reader book that builds your vocabulary as you progress. if you are a beginner to German, get the Easy Reader first
