Versailles: The Great And Hidden Splendors Of The Sun King's Palace

Synopsis

Versailles is one of the most photographed places in the world. Yet masses of tourists make it virtually impossible to imagine the splendor of the palace as it existed from the time of Louis XIV, the Sun King, in the 17th century, until the fall of Napoleon III in 1870. Now, four talented photographers were granted unlimited access to Versailles when the ch teau was closed to visitors, and their work allows privileged access not only to the private suites of Louis XV, the boudoirs of Marie-Antoinette and Madame de Pompadour, the celebrated Hall of Mirrors, the Royal Chapel, the charming Orangerie, and Marie Antoinette s bucolic Hamlet, but also to mysterious chambers and hushed apartments never normally seen. Captions describe daily life at Versailles and the momentous events that have taken place there, all published in a sumptuous oversize format befitting its majestic subject.  

Book Information

Hardcover: 272 pages

Publisher: Vendome Press (September 12, 2017)

Language: English

ISBN-10: 0865653429

ISBN-13: 978-0865653429

Product Dimensions: 1.2 x 14.5 x 10.5 inches

Shipping Weight: 5.6 pounds (View shipping rates and policies)
