Customer Reviews

perfect for my collection! Great for my male vocal students

Great collection of CP songs. Has most of his hit songs.

This is a great collection of his songs....

A comprehensive collection of Cole Porter's songs.

Cole Porter composed the music and the lyrics for some of the greatest songs in the mid 20th century. Very sophisticated.

Love Cole Porter! Good collection

Cole Porter wrote some of the best songs of all time -- and these latter hits of his are great to sing. The two volumes are arranged by date, and have a very good history -- early in the first book and later in the second volume. The two volumes have all his great songs.

The American Standard song book is a must study for anyone composes music in any genre of music. The harmonic structure is solid and is the foundation of modern American music. All of these books are a must purchase.
