It was a big hit for my Secret Pal who loves squirrels!!!! She is so excited about it. She was showing everyone what different color she will make all the squirrels. FYI: Her attention span is short from a stroke she had. Her doctor told her that coloring was a great ideal for her. It relaxes her and makes her concentrate on what she is doing, A fun way to keep the mind thinking.

An amazing fun filled adult coloring book with our favorite furry friend!

Squirrels are my favorite so i was excited to find this coloring book. Great pictures can't wait to get them all done
