More Than An Eagle (Shifty Book 9)

Synopsis

I was flying. My abusive soulmate? Gone. My controlling father? Dead too. It was just me and my friends and my wings, and it was perfect. Until I met Trey, that is. Trey destroyed everything. Maybe that's good, though, because even a phoenix needs to die before it can rise from the ashes. I'd spent my life telling myself I was a phoenix, but it wasn't until he came along that I actually believed it. My name is Merla Lenae, and this is my story. The rule in the shifter world is that a person gets one soulmate. Just one. At least, that's what everyone thought. When a man shows up claiming to be Merla's mate and then proves that he is, what's a girl to do? The last thing she wanted was another soulmate, but it looks like fate has other ideas. 11 girls... 11 stories. What happens in a world where humans and shifters live together in peace? Well... a lot, actually. In this series, you'll get just a glimpse of it. Each of these ladies is fighting for love and for change in their lives and the world around them. The books each stand on their own as every girl tells her story, and don't have to be read in any sort of order to be enjoyed. With a new love story and happily ever after in each book, this series will show you a new way to view shifters, one you may not have ever considered before. *These books are clean Young Adult/New Adult fiction and contain no explicit content.
