This is a small format coloring book with well over 100 pages of designs. The designs are all licensed from Shutterstock and only a few of them are Christian in nature. They also appear to have been much larger images that have been sized down to fit in this book. Because of this, many of the designs have very small elements for coloring. I found that I had to use gel pens and markers with small tips in order to color in these. For the sample photo I will post that I finished, I used Pilot Juice Ballpoint Gel Pens in size 0.38mm. I might have been able to use .5 for most but not all of the parts of this designs. The designs are printed on one side of cream colored paper. Bible verses are printed on the reverse of the page. The pages are fairly thin and somewhat smooth to the touch. Many of

the designs merge into the binding area. The binding is sewn rather than glued so you could remove several pages at a time without losing any portion of the design by simply snipping a few threads. The book, while small, is thick. It made it a little more difficult to work with (along with the tiny elements.) These two difficult areas of working with this book is why I gave it a four star rating. I decided not to try to finish this design quickly. Instead, I spend time after lunch for a couple of days coloring it. That way, I could also meditate on one of the verses each day as I colored. The Bible verses in the book are from a variety of translations, including: The Holy Bible, Contemporary English Version, The Holy Bible, English Standard Version, The Holy Bible New International Version NIV, the New King James Version, and The Holy Bible, New Living Translation. When testing for coloring medium reaction with the paper, this is what I found: Alcohol and water-based markers all leak through to some degree (except Tombows brush end which left a colorful shadow on the back of the page.) India ink pens left colorful shadows on the page of the page. Gel pens did not leak through but some (Tekwriter and Fiskars) left shadows when using dark or bright colors.) Coloring pencils work well with this paper. Both oil and wax based pencils put down good color with both a light and firm touch. They both layered well. Wax based pencils did better in blending. Hard lead pencils left slight dents on the back of the page.

Absolutely love this adult coloring book.. I look at the Bible promises over and over while I'm coloring.. this book has a great variety of different pictures and patterns and styles.. I color in the evenings and on my days off... it's enjoyable and relaxing while I'm sipping on my morning coffee... I cannot stress enough how much I enjoy seeing the scripture on every page... :)

I purchased this book for my mother. She absolutely loves it. The small size fits perfectly in her purse so she can take it with her anywhere. She loves the floral pictures and finds the verses comforting.

It is a beautiful book but if you have eye issues it is so small. I am blind in one eye and I can't see to color it. But someone with good eyesight would find it awesome.

A wonderful adult coloring book. The pictures are not overwhelming in size-I like smaller pictures. I love the scripture on the opposite side of the pictures. I am really enjoying this coloring book. I highly recommend it!!

I was very dissatisfied by the size of the book! 5 1/2 X 6 1/4 . I was expecting a large book like all the others I had ordered! I was really shocked when I opened the box and saw this little book!! It was probably my fault for not reading all the words that described the book. I must not assume anything anymore! I MUST read all it says when you are describing the item!

Love the artwork in this color book! I enjoy coloring & it's relaxing for me. At my Church I write out cards & notes to our seniors & others that have events. I use the pages as inserts to cards & notes. Everyone seems to enjoy them. One person puts them up in her nursing home room & gives her something to look at.

I have included this into my War Room. It gives me extra quiet time to spend in the presence of the Lord.
