Customer Reviews

Who doesn't love VeggieTales? Wholesome, check; clean, check; good values, check; and most importantly: teaches children about God, check! Most cartoon shows and movies will eventually let you down in some way or fashion; however, this has never happened when it comes to this wonderful show. "Minnesota Cuke and the Search for Samson's Hairbrush" was a wonderful story that put together a tale for small children to understand that seeking revenge on a bully will in turn make you into a bully. Through this story, not only will you learn about Samson and the Biblical principles that revolved around his life, while also learning amazing moral aspects that should be applied to everyday life.
