My daughter loves these. Perfect companion to the American Girl series.

Bought as a Christmas gift for my 8 year old granddaughter and she loved it!

I purchased this set for my 6 year old daughter. I had previously purchased my older daughter (now 18) 'Samantha's Paper Dolls' about 10 years ago. The older sets had paper tabs to fasten the

clothing to the body of the doll. They were a bit tricky and the tabs wore out quickly. The new set has 'stickies' to fasten the clothing onto the paper doll...much less frustrating! The clothing all has to be cut out (as opposed to the punch-out variety of some paper doll sets), so be sure to have some smaller, precision type scissors for the project.

I thought this book was great! The only thing I didn't like about this book was that you could punch out the dolls but you had to cut out the outfits. Kit, Ruthie, Stirling and Grace were really drawn well. The ten outfits for Kit are her birthday outfit, original outfit worn in book 1, hobo outfit ect. I really recommend it because if you can't afford the keepsake kit doll, with the cost of \$84.00 then you can get this awesome book!
