Dungeon Spawned: Dark Dungeon 01

Synopsis

Nurien wakes up in a crystal prison, a soul stone, and has no idea what happened to him, or what he is or was. It takes him a while to figure things out. A dungeon imp eventually shows up to tell him what he is, a dark dungeon, and to help him learn and grow. Problem is, it doesn't take long for him to figure out that things aren't quite matching up to little Ebony's expectations. Luckily, he has some other help in his head, another soul trapped in the crystal prison with him. Unluckily, that help is a power-hungry demoness from hell. He's got a lot to learn if he's going to survive and prosper, but most of all, who the hell was he, and what? Mature Content Warning: There are some adult situations.

With interesting characters, and a interesting world for them to interact in, the development of the "dark dungeon" is surprisingly gripping. A must read for RPG fans in particular, and a good bet for anyone looking for a fun fantasy tale that doesn't mind a little smut. Speaking of, said smut is well written, and tastefully handled. A natural inclusion as opposed to "Huh need to write some filler... a

sex scene should work!"DA Lila character goods when?

I'm new to the dungeon genre, I'm still not sold on all that; however, Dungeon Spawned book 1 was a good read. Like a lot of authors this story is too short and ends with a big cliff hanger. There's a lot of potential, hopefully book two (Dungeon Imperiled) will be as good.

Well-written. Fast moving story was a page turner for me. Story told mostly in the first person of the imprisoned soul that creates a dungeon. There were some sex scenes that I fast-forwarded through.

Nicely spicy bit of storytelling with a good non-human protagonist. As the first of three I look forward to getting to know the human contingent.

Good characters decent plot, good evolution and some hope for a next book. All in all a good beginning of a series

Was a good book. A little different from the dungeon crawler. Wish it was longer as always. Would recommend if I knew people that read lol.

A wonderful story and a very lovely concept for a world and setting. The characters are sharp and engaging and the story has a lovely balance of action, intrigue and character building. I very much recommend it to a wide range of readers.

A different but good take on the dungeon fantasy series. Felt like the story was a little rushed but I enjoyed it still.
