Synopsis

I wanted everything. So I took it. I've been hired to protect the biggest pop star in the world. She's beautiful, spoiled and the most famous woman on Earth. I'm determined to keep it professional. I super enjoyed my weekend read! Aside from this absolutely stunning cover, DEEP by Joanna Blake has the three complete full stories of the Man Candy series which I read for the first time and

I'm glad to do so in one sitting :He's a hot stripper , she's a prude school teacher ; Chandler and Carolina's story in GRINDHe's a famous pornstar , she's a dedicated nurse ; Trent and Lexi's story in HEAT (previously entitled BANG)He's a cold bodyguard , she's a lonely popstar ; Joss and Trista's story in DEEPThis trilogy is super romantic , off the charts sexy , light, and an overall absolute winning treat! I FLOVE it! ”

Wow! Loved loved loved these! I started reading this trilogy yesterday evening. I fell asleep about 5am got up at 8:30am because I wanted to finish. I loved them all. I was glad that the last book was about Joss because I met him in the first 2 and thought that he deserved a book. All 3 books were hot all 3 guys were hot all 3 stories were amazing!

AAH!! I love Joanna Blake and her bad boys! I was not surprised I'd love Joss just like the rest! I was sucked right in and fell in love with Joss and wanted him for myself! I loved this story until the very last page. Great job Joanna! I can't wait to read more from this amazing author!

I enjoyed all of the trilogy. I was fortunate enough to purchase Deep and it included Grind and Heat. The women were strong and independent. The men were protective and loving. Will there be a book for Conrad? I truly loved these characters as a couple.

Wow! I loved this book! My sister gave it to me, because she had worked for Dr. Kaufman for many years. I wasn't expecting much, but was I ever wrong. The plot is complex, but easy to follow. The writing is polished and clear.. I thought the characters were well defined. There were lots of unexpected turns of events. A remarkable first novel! I'm looking forward to more!

Man candy that melts you.... Joanna writes amazing bad boy finds innocent girl stories with off the charts hot sex with a few twists & turns that you can't stop reading until they get their HEA.

If you like alpha males falling really hard this is for you. Each story is a sexy read about a gorgeous man and what makes him him. Then there are the strong women that make them lose their minds in love. Each thinks it can't happen to him for whatever reason until he meets her.

Alpha males, innocent girls and panty melting sexy scenes. That is what all three of these stories encompassed. They were good reads the will have you fanning yourself. They are insta love but the

sexy scenes will set your kindle on fire.
