Greg McRoberts lives, works, breathes and plays in the Sun Valley area. A Hailey resident for over 10 years, he knows the trails and backcountry roads very well. His co-author/wife Darla are both Idaho natives and grew up in this beautiful mountainous area and enjoy mountain biking, trail running, backcountry skiing and rock climbing.

The authors actually thought of everything in this book, aside from GPS points. It has it all, comedy, details and more details. I've read many guidebooks over the years and this one is definitely one of the best. From tons of rides in every ability level, to lodging, camping, eats and extra curricular

activities. Don't think about, just buy this book and go to Sun Valley mountain biking!!
