# The Americans: Student Edition Reconstruction To The 21st Century 2012

## Synopsis

The Americans explores the story of United States history, weaving the reflections of people who experienced history firsthand throughout the narrative. Thought-provoking lessons make history human and relevant to students' everyday lives, helping them to realize the richness of our nation's history. The Americans © 2012 is a highly integrated, high school American history curriculum that supports the intent of the Common Core State Standards with rigor, skills, and document-based instruction. HISTORY resources infuse The Americans with elements that pique the interest of today's media-savvy students. Change the way your students connect with the past and explore the richness of our nation's history with The Americans.

Its a good book when you lose your original at school.

Good condition!

Nice books does not provide tracking information. Not that nice by my standards. With today's technology, keeping your customer uninformed is just not acceptable. Will not buy from again.
