Best Sellers Rank: #6,253,836 in Books (See Top 100 in Books) #63 in [Books > Travel > Asia > Macau](#)

Customer Reviews

After visiting there wanted to see what "old Macau" was all about before the invasion of Las Vegas style casinos. The book gave a refreshing perspective. The photos were also amazing too. Book was in good shape but was missing dust jacket , so the outside was plain but, clean. All in all very happy with my purchase.

For anyone, especially a Westerner, who visited and enjoyed their time in Macau 10 or more years ago, this book is the next best thing to a time machine. Author Shann Davies' encyclopedic knowledge of Macau's colonial history and virtually every square foot of the enclave make for wonderful reading for anyone interested in the subject. Mark Brazier's photographs are hauntingly beautiful portraits of a subject, that due to development, gaming and otherwise, no longer exists as it was then and can never be brought back. Anyone with an interest in old Macau will cherish this treasure of a book. It will refresh and keep alive wondrous memories of a magical place where China and Europe first began to live together over four centuries ago.

I love this book. I love Macau, which I have been visiting for 35 years, most recently to celebrate my 65th birthday. There is no one who has more of her heart in Macau than Shann Davies. This book becomes ever lovelier, and hits my own heart ever more poignantly, as the years go by.

Macau is such a charming and beautiful place. This book takes me back to my childhood...wandering the streets and shopping in the markets. I love and cherish this book.
