Customer Reviews

Bruce Benward has been widely regarded as one of the most gifted music theory pedagogues since his textbooks first appeared in the 1960s, and has exerted a wide influence on the teaching of music theory both through his writings and through the generation of teachers that he taught. He recently retired from the University of Wisconsin at Madison.

I ordered it new and it came that way but it is so flimsy.

Good product!

Excellen/professional textbook Seller - fair price, good quality, on-time delivery and respectful/responsible to customers as valuable customer.

Several pages were missing from the book!

Great work book. Content understandable and fun to learn.

it's exactly I'm looking for! Thank you very much!

A++ Thanks!

Everything good
