Behavioral Statistics In Action

Synopsis

Written for students taking their first course in psychological statistics, Vernoy and Kyle's text is considered by many to be the most student-oriented text on the market. Besides a clear and friendly style, the authors avoid digressions of any type, get to the point quickly, provide an abund"

Customer Reviews

perfect condition

Finally got this vesion.Very satisfied

Amazing condition! Got what I was looking for.

Excellent

Old book in excellent quality and good price. If ever you need books for a class, and you need them cheap and good is your website.

Good Book for Stats Class!

When I had no idea what was going on in class (which was 99% of the time), I turned to this book.

My Lord and Savior.

The pages were not connected to the spine, but was usable. Worth the price.
