Kauai (Images Of America)

Synopsis

Capt. James Cook stood on his ship gazing at the coastline of Kauai and the Hawaiian village of Waimea in 1778. Kauai was its own kingdom then, and King Kaumualii--the king of Kauai who challenged Kamehameha and managed to keep Kauai from being conquered by him--would not be born for two more years. The oldest and northernmost of the main Hawaiian Islands, Kauai did not see well-meaning missionaries until 1820. From the moment Cook put Kauai on the map, it has gathered admirers from all over the world who come to experience its exquisite beauty and wonder. Fortunately, many photographers have had their own love affairs with Kauai, leaving a vast amount of documentation.

Customer Reviews

Nothing you've never seen before but nice to have it all in 1 book.

This book offers a glimpse at the past through a collection of historic postcards. Anyone who has ever travelled to Kauai will enjoy seeing some of the same spots "back in the day." Highly

recommended for postcard enthusiasts as well.

Love this series....and this title is a worthy addition

A beautiful collection of old Kauai. Beautiful.

We vacationed on Kauai in March, a lot of fun reading the book, should have bought it before we left.

This is a great little book on the history of Kauai for any of you Hawaii and Kauai lovers out there.

This is a wonderful collection of unique and interesting postcards from 1900-1999. Presented in a historical format, it is both entertainment, educational and informative.
