Rick Steves Snapshot Copenhagen & The Best Of Denmark

Synopsis

You can count on Rick Steves to tell you what you really need to know when traveling in Copenhagen and throughout Denmark. Rick Steves covers the essentials of Copenhagen and the best of Denmark, including Roskilde, Frederiksborg Castle, Legoland, and Århus Island. Visit Copenhagen's Tivoli Gardens or appreciate the historical, classical architecture of the Cathedral of Our Lady and Copenhagen University. You'll get Rick's firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket. Rick Steves Snapshot guides consist of excerpted chapters from Rick Steves European country guidebooks. Snapshot guides are a great choice for travelers visiting a specific city or region, rather than multiple European destinations. These slim guides offer all of Rick's up-to-date advice on what sights are worth your time and money. They include good-value hotel and restaurant recommendations, with no introductory information (such as overall trip planning, when to go, and travel practicalities).

Since 1973, Rick Steves has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes small-group tours that take over 20,000 travelers to Europe annually. He does all of this

with the help of a hardworking, well-traveled staff of 100 at Rick Steves' Europe in Edmonds, Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie. Great guide book that made the trip easy. I have noticed that I have slightly different preferences than Rick Steves and often needed more time in the museums than Rick recommends. I love that Rick's guide books have a walking tour of the city to get a flavor for the city and see some interesting (mainly) outdoor sights.

Helpful guide in a compact format that is easy to pack and carry around. Contains lots of useful information as well as good sightseeing recommendations.

Rick Steeves book on Copenhagen is very easy to read and gives lots of information on how to get the best out of a stay in the city. I would recommend it to anyone planning on traveling to Copenhagen to buy this book.

Can't go wrong with Rick Steves. Headed to a professional conference in Odense, DK. Book was chocked full history, tour suggestions, and day trips.

Looks like a great guide for our tip. Very fast service.

Rick Steves Copenhagen helped me plan a successful trip to Copenhagen. Clear directions, instructions, maps were helpful and the book gave a nice narrative on points of interest.

Used Rick Steves book to travel many countries in Europe. This book is very good as usual giving useful and updated information and nicely opinionated colorful advice.

Great information on Aero Island which I plan to visit this summer as my ancestry is from there.
