Customer Reviews

Love this coloring book. The Drawings are adorable and the phrases are funny, Had me laughing. The only problem for me is that when I color with markers,the ink bleeds through. But that happens with most of my coloring books... my solution is adding a few pieces of papers behind the page im coloring. I really enjoy coloring this book,brings joy to me.*I did get this coloring book for free.. but my opinion is real. Its hilarious with cute drawings,perfect combination. Its simple but very enjoyable. Love it.

In my honest opinion, this coloring book is one of most HILARIOUS swear word adult coloring books I've seen in a long time. Most swear books feature one or two words but this book has full phrases are so original and so funny! The book heavily animal themed and is reminiscent of child-like art juxtaposed with adult themed language. The quality of the book is pretty high cover-to-cover. There are 35 pages plus 10 bonus pages so you'll enjoy hours of solid coloring. There are some simplistic pages that give you enough room to create your own doodles. This is a solid book. I would recommend this book to anyone who just needs to vent, relax and decompress. Can't wait for the next edition!
