Book by Siegal, Peter

this book is not for the present airbrush artist!!!Everything in it the techniques no one uses,way out dated....I wish showed more info and pages of this book excuse me I ment this paper weight.....Cause I wouldn't have spent my money on it.....dont get me wrong i love and i always order from y'all and always will cause it's usually on point and I'm grateful for that.....matter of fact I just ordered some paint brushes.....Thank You for listening

More about maintenance than technique
