Customer Reviews

• The set should be just the ticket for the nursery school market. • Children's Literature

Tony Mitton is a widely anthologized children's poet, as well as a teacher and performing poet. His Royal Raps won the 1997 Nottinghamshire Libraries/Dillons Children's Book Award. His recent collection of poetry, Plum, won the Publishers Weekly 2003 Cuffies Award for Best Book of Poetry. Tony teamed with illustrator Ant Parker on several books, including Dazzling Diggers, Roaring Rockets, and Terrific Trains. Ant Parker studied drawing and printing at the Bath Academy of Art in England and has taught papermaking, printing and bookbinding workshops for children. Toddlers and parents around the globe have discovered the irresistible appeal of his wacky cartoon characters in Flashing Fire Engines, Terrific Trains, Dazzling Diggers, and Roaring Rockets.

Great book !!

My 3 year old grandson loves this entire series of books! Perfect length as far as reading time, and my son in law says they are very accurate!

We bought this book for our grandchildren and they love this book. We ended up buying several of the same type of books with different themes, like buses; fire trucks, diggers, etc. I would recommend these books especially for the price. We love them!!

My Grandson just turned 3 & he has most of the Tony Mitton series of books. His favorites are Tough Trucks & Dazzling Diggers. He seems a little bored & distracted with this one I think he'll like it better when he's a little older.

My 2 year old son loves these books and is always wanting to read them again.

My three year old son loves this whole series of books. The tractor book, in particular, has educated all of us! Super cute rhymes, fun, bright pictures, and a last-page glossary of some of the jargon.

Toddler boys love it!

My 2 year old son loves tractors, and we love reading to him. This book is one of his favorites. He loves looking at the parts of the tractor, and I like that its a bit more colorful and cute than some of his nonfiction tractor books. Its true that the rhymes in this text are a bit difficult compared to some of the other books, but its probably his favorite. I think I will buy this as a gift book for other children with similar interests! His other favorites from this series are Dazzling Diggers and Terrific Trains.
