# Oral Pathology For The Dental Hygienist, 3e

## Synopsis

The new edition of this text focuses on topics that directly concern dental hygiene practice. It provides the understanding of oral pathology that hygienists need today. Both authors are well-known and respected in the field. Their extensive clinical and teaching experience has produced a readable, superbly illustrated introduction to oral pathology.

## Customer Reviews

I've been in the field for 30 years and I still get this book in newer editions every so often. It's a must-have reference for anyone in the dental field.

Excellent book. Book covers all current and relevant dental oral pathology for hygienist. The accompanied CD is great for board review.
