I love it it has lots of good exercise to do in the book

Only started reading and it's terrific...I'll come back when finished..I'm very happy I purchased this book.Maria Yoppolo

I LOVED this book. Very clear and broken down into easy steps with tons of exercises. Instead of the entire book being all about her experiences (something a lot of "how-to" books do), she explains how you can establish connections to the spirit world yourself and the means in which you may receive information! Very useful and full of information. I would recommend this to any aspiring medium.

Love this book... it provides vast amount of great informations which allow not only to connect with spirit world but also with your higher self. The book also presents stages of spiritual development which showed me deeper understanding of my progress. Thank you Konstanza
