Survivors Of The Bermuda Triangle

Synopsis

A team of Engineer is teleported from the Bermuda triangle to a hostile climate planet. They are rescued by a 200 years old human hybrid and taken to an underground complex. How they manage to live in perfect harmony with the other humanoids in a crowded complex for 20 years? When the mystery of the Bermuda triangle was solved, the military greed for high technology mistreated them. The human hybrids leader and US President gain each other trust and became friends. They establish the smaller nation in the middle of the triangle and became the most powerful nation in the planet. One day war with the Republic of China and the USA, restore peace in all the nations. Now was time for the other planets to become part of the Interplanetary Alliance and make this galaxy a better place to live.
