As a child, it is sometimes hard to know everything about God. Like most other kids, I sometimes have questions. What is Heaven Like? How can God never start and never end? Kathryn Slattery's "If I could ask God Anything" is a great way to answer your questions about God. It covers histories of famous Christians, gives you hope when you are going through rough times, and simply tells you about God. This is a great resource for puzzled or confused Christian kids. It also tells you the best ways to read and understand your bible, how to pray when you can't think of anything, and what to do when you're tired or bored during church. Christian kids all around the world should use this as a guide when they are full of questions, or any time that they feel they need it! As a mother, author and Christian, Kathryn Slattery draws knowledge from her experiences and helps many kids to understand God and being a Christian.

I really like this book. I bought it for my 7 year old son, but once I received it I realized it was better for a little older kids. I think he will find it interesting once he gets closer to 10. There aren't any pictures in it which is part of why he didn't find it interesting. Recomend for pre-teen age+

My eight year old is forever asking questions and she loves this book.

My granddaughter loves this book. She has read and reread it. She carries it around in her book bag. It is written in such plain language for children to understand and there are questions that children would never have thought to ask.

This book is gold! What a beautiful way to teach my kids about who God is and answer some questions they may have. Highly recommend!

Love this. Thought provoking. My kids enjoy reading it.

I bought this book for my 7-year-old granddaughter. She loves it. She is soaking it up like a sponge. When she comes over she cant wait till bedtime to read some pages. Now, she is getting the book

right when she gets here. She can't wait to get to the end and start over again. She even wants to be baptised in the Holy Spirit (that'll come in God's time). But she was prophesied over when she was 2 years old and she is showing so many signs of Jesus in her life and sharing with her friends. Now she has more answers for them.

lil boy loves it. He says it has really good questions.
