## Customer Reviews

This book does just what the title says! The author gives us such great examples; there is so much insight into Brazilians and their culture. More importantly, even if you're not headed to Sao Paulo, this is a great book for anyone who loves reading about other countries, cultures, and seeing how people live in other parts of the world. Overall, All I can say is this book is vitally relevant to anyone moving to Sao Paulo, or anywhere in Brazil!

Great book what tell all about Sao Paulo. Everything you have to know If you want to visit the city!

Very good, but a little hard to use without an index and its limited coverage.
