## Customer Reviews

This was extremely helpful! It's detailing was excellent, and its presentation (one street or highway leaving off on one page but continuing on the next) was very helpful.

fine for what it is, but not what I expected

I recently moved to the area and find this map very useful.

I was disappointed that all parts of this book, had not been field checked for accuracy and completeness. But it was useful.

greay buy

does the job
