Synopsis

Have you ever wondered if natural holistic approaches and essential oils can help you overcome painful emotional, physical and psychological trauma? The answer is a resounding YES, THEY CAN! God created many little âœpower plantsâ • to fight bacteria, improve bodily functions, raise energy (frequencies), clear negative emotions, and elevate spiritual awareness. The natural oils from plants are then used topically, aromatically, or ingested to treat many kinds of maladies and conditions. âœThe Miracle of Essential Oilsâ • is for... â¢ anyone suffering from physical, emotional and spiritual trauma. â¢ individuals trying to find well-balanced personal and work lives by eliminating stress. â¢ children and teens suffering from many of the same symptoms and conditions adults experience. â¢ men and women whoâ™ve been to war where they experienced stress, hardships and horrific losses. â¢ service-related individuals such as firefighters, police and EMTs who suffer from all kinds of work-related trauma. You didnâ™t become unwell overnight, so you canâ™t expect your wellness to occur overnight. You and only you can take charge of your life and well-being. Thinking more clearly, having a stronger body, and living a majestic, purposeful life free from trauma is what life is all about! âœWe must look for ways to be an active force in our own lives.
