The Oregon Trail: A New American Journey

Synopsis

#1 NEW YORK TIMES BESTSELLER • #1 Indie Next Pick • Winner of the PEN New England Award • *Enchanting* |A book filled with so much love|Long before Oregon, Rinker Buck has convinced us that the best way to see America is from the seat of a covered wagon. • "The Wall Street Journal • *Amazing* |A real nonfiction thriller. • Ian Frazier, *The New York Review of Books* • *Absorbing* |Winning|The many layers in *The Oregon Trail* are linked by Mr. Buck's voice, which is alert and unpretentious in a manner that put me in mind of Bill Bryson's comic tone in *A Walk in the Woods*. • Dwight Garner, *The New York Times* A major bestseller that has been hailed as a • *quintessential American story* • (Christian Science Monitor), Rinker Buck's *The Oregon Trail* is an epic account of traveling the 2,000-mile length of the Oregon Trail the old-fashioned way • "in a covered wagon with a team of mules" that has captivated readers, critics, and booksellers from coast to coast. Simultaneously a majestic journey across the West, a significant work of history, and a moving personal saga, Buck's chronicle is a • *laugh-out-loud masterpiece* • (Willamette Week) that • *ensnares the emotions it becomes a tear-jerker at its close* • (Star Tribune, Minneapolis) and • *will leave you daydreaming and hungry to see this land* • (The Boston Globe).

Customer Reviews

An Best Book of July 2015: Well into middle-age, Rinker Buck found himself divorced, at the edge of bankruptcy, and growing blunt through the twin demons of ennui and alcohol. This was not a state he was accustomed to; instilled by his father with a sense of daring, Buck was no stranger to adventure, having been (with his brother) one half of the youngest duo to fly across the country, a tale documented in his celebrated book, *Flight of Passage*. On a whim, he found himself in a museum at the head of the Oregon Trail, realizing that even as a fairly serious American history buff, he knew virtually nothing about the pivotal era when 400,000 pioneers made their way West in quests for land, gold, and new lives. On a much bigger whim, Buck decided to travel the 2,000 miles of ruts and superseding highways in a mule-driven wagon on his own • *crazyass* • quest for a new beginning. The result is a dense-yet-entertaining mix of memoir, history and adventure, as Buck-- joined by another brother, Nick, and his • *incurably filthy* • dog, Olive Oyl--struggle with the mechanical, environmental, and existential challenges posed by such an unusually grueling journey. Buck is an engaging writer, and while the book pushes 500 pages, the story never lags. By the end, you'll know more about mules than you ever thought you would (just enough, actually), and you'll have a better perspective on the Trail, its travelers, and the role it played in shaping

the modern United States. (And is Rinker Buck not a pioneer-worthy name for an tale such as this?)--Jon Foro --This text refers to the Audio CD edition.

â œAn incredible true story . . . Weaving a tale somewhere between a travelogue and a history lesson, Buck traces the iconic path literally and figuratively as he re-creates the great migration with his brother and a Jack Russell terrier.â •â œExcellent . . . An amazing cross-country journey . . . Rinker and Nick Buckâ ™s conquest of the trail, the achievement of a lifetime, makes for a real nonfiction thriller, an account that keeps you turning the pages because you canâ ™t conceive how the protagonists will make it through the enormous real-life obstacles confronting them.â • â "Ian Frazier, The New York Review of Booksâ œEnchanting . . . Interspersed with the story of his westward journey, Mr. Buck entertains and enlightens with discourses on American history and culture. . . . He has delivered us a book filled with so much loveâ "for mules, for his brother, for America itself. . . . Long before Oregon, Rinker Buck has convinced us that the best way to see America is from the seat of a covered wagon.â •
