Synopsis

[Translation by W.H.D. Rouse] [Read by Anthony Heald] Homer's Iliad and Odyssey are unquestionably two of the greatest epic masterpieces in Western literature. Though more than 2,700 years old, their stories of brave heroics, capricious gods, and towering human emotions are vividly timeless. The Iliad can justly be called the world's greatest war epic. The terrible and long-drawn-out siege of Troy remains one of the classic campaigns, the heroism and treachery of its combatants unmatched in song and story. Driven by fierce passions and loyalties, men and gods battle to a devastating conclusion. The Odyssey chronicles the many trials and adventures Odysseus must pass through on his long journey home from the Trojan wars to his beloved wife, Penelope. Though the stormy god of the ocean has sworn vengeance against him, and witches and sirens try to lure him off course, Odysseus is clever and has the brilliant goddess Athena on his side.

Homer (9th or 8th century BC) is the presumed author of the Iliad and the Odyssey, the two greatest epic poems of ancient Greece. Virtually nothing is known about his life. Tradition has it that he was blind. Most scholars believe he composed the Iliad and the Odyssey by relying on oral traditions. Their value lies chiefly in the poetry itself, moving from sublime passages about the gods and heroic exploits to passages expressing deep human emotion.

Good classical read.

Great Book. the Reader could have toned down the acting.

Enjoyed

I am in the process of listening to the audio tapes of the Odyssey and find it fascinating to listen to while I am traveling. I read the book many year ago and this is more meaningful listening and make traveling enjoyable. I highly recommend listening to the book in this fashion.

The cd is well donr but the reader overacts. He makes it difficult to listen for more than a few minutes at a time.

An excellent reader, and a very 'listenable' translation. I rather prefer a more archaic translation, but this makes it easier for younger listeners to grasp.

I had trouble listening to the narrator. Some of the names were mispronounced and he sounded rushed.
