Thresholds: Navigating The Difficult Transitions Of Life (2 Disk Audio CD)

Synopsis

On this 2-CD set, poet David Whyte talks about the difficult transitions that are part of every human life, when we are orphaned from the homes we have carefully constructed and must learn to inhabit the world in a new way. These transitions can be understood as opportunities to engage in a deeper conversation; one that allows us to catch up with the part of ourselves that is already standing on a new frontier.
