Born In Blood And Fire: Latin American Voices (Second Edition)

Synopsis

The companion reader to the most readable, highly regarded, and affordable history of Latin America for our times. A thematic anthology of primary sources for Latin American social and cultural history, the Second Edition reader complements the table of contents of *Born in Blood and Fire*, Fourth Edition, and draws on newspapers, novels, magazines, and journals—many translated by Chasteen himself—to present compelling narrative accounts of life and society across Latin American history.
