I LOVE PAPER MAPS. I KNOW I CAN ALSO USE GOOGLE AND BING. AND I HAVE A GOOD NAV SYSTEM IN THE CAR. BUT I STILL THE PAPER. I'M JUST OLD FASHIONED AND THESE ARE GUIDE BOOKS.

When we moved to San Diego, the SD Thomas Guide was the first thing we bought. When we moved back home to Seattle, we got this, the most recent Puget Sound guide. They are my husband's favorite things. I like them, too - I like looking up things on maps, following along as we drive. We are not GPS users, we don't like things that talk to us in cars - we always choose trusty Thomas.

Received the map book fast, it was just what I was looking for, I am satisfied with the product and vendor.

Sadly this was NOT the Thomas Bros of the past and I found this too bulky and unyieldingand it did

not meet my needs for a recent trip to the area. I will likely donate it to family member who lives in the area and hope they find it useful. I did find a very old true original Thomas Bros on EBay got that and it was perfect!
