Twelve Degas Dancers Bookmarks (Dover Bookmarks)

Synopsis

One of the greatest of the 19th-century French artists, Edgar Degas was perhaps best known for his graceful portrayals of ballet dancers. These enchanting bookmarks have been beautifully designed using details from 12 of the artist's finest paintings of dancers, including the charming *Dancer at the Bar*; *Dancer's Dressing Room*; *Dancers, Pink and Green*; *Before the Exam (The Dancing Glass)*; *Frieze of Dancers*; *Dancer with Bouquet, Curtseying*; and six others. Elegant and appealing, these decorative markers will delight admirers of Degas as well as any lover of dance.

One of the greatest of the 19th-century French artists, Edgar Degas was perhaps best known for his graceful portrayals of ballet dancers. These enchanting bookmarks have been beautifully designed using details from 12 of the artist's finest paintings of dancers, including the charming *Dancer at the Bar*; *Dancer's Dressing Room*; *Dancers, Pink and Green*; *Before the Exam (The Dancing Glass)*; *Frieze of Dancers*; *Dancer with Bouquet, Curtseying*; and six others. Elegant and appealing, these decorative markers will delight admirers of Degas as well as any lover of dance.

They are just too cute!! It's a little booklet with perforated lines for each bookmark that can be folded and removed. On the back of each bookmark, you can find the title of the paintings. They're very

good quality!!

I originally came across these when I was trying to get my total up to reach the free shipping mark. I was looking for just any bookmark, but then saw these. For the price of less than one thick, fancy bookmark, I got twelve beautiful ones. Sure they're thinner, but I actually think many bookmarks are too thick so they end up falling out of the book, and I had been trying to find thinner ones for a while, but didn't even know if they existed. Of course, I wouldn't recommend these for unusually thick books, like dictionaries, art books, etc. But for your average book, they do. You could always glue two together, to make one thicker one, or laminate them, etc. to extend the use. But they've been good for me as is. I also got the Tiffany ones which are great too. Plan on getting some more too. Oh, and the pictures are lovely.

Perfect /gift for my granddaughter who is a dancer. She loves the bookmarks and is a fan of Degas's artwork.

These are thin stock, but the images are reproduced very well. Nice to have a stack of such things in a drawer for just-in-case book diving :)

Beautiful artwork. If you are a fan of Degas ' Dancers, you will enjoy the prints. However, the bookmarks are perforated and have to be removed that way. Because it's with card stock, the perforated edges are very obvious. Since I was giving these away, I chose to cut the edges so that they wouldn't look tacky. Once that was done, they looked great. I could also see the ambitious person hole-punching and adding cords for an even more elegant touch. Overall, good value for the money.

Great.

This bookmarks were absolutely beautiful the artistry of them were wonderful and the price you cannot beat you get 12 bookmarks perforated in a booklet phenomenal price I will definitely be ordering again if I need more bookmarks.

I bought these to fill out the last few dollars I needed in my cart for the free shipping. They are very nice, but as enlarged details from a painting, the images are sometimes blurry... which I didn't mind,

because it works alright with the style. My only complaint is the white borders around them. I cut all of them off, they made the bookmarks look cheap. They have a very nice, shiny finish, but I also recommend coating them with laminating paper. I do that with all my bookmarks and they last much longer and resist water damage.
