Punchdrunkey is a cartoonist with a kinky side.

Finally a decent adult coloring book for those who are into kinbaku and shibari.~ I bought this for a friend after searching and getting nowhere- glad I chose this one because he loves it!~The designs are original, fun to color and a good variety.~The beginning of the book says it's best suited for colored pencils and if you are wanting to use heavier or wet medium to simply cut out the pages. The pages cut out easily.~ If you want to get a better idea of what some of the content is, check out the artist's Instagram (@punchdrunkey) and society6.com/punchdrunkey. (If I approve the photos I've uploaded, I have covered part of the art but you get a general idea of what the book is like)~ Would recommend to anyone who is interested in these arts, looking for something fun to color, looking for a gift, or looking for something a little naughtier than what most adult coloring books have to offer.~ I would buy again and will be purchasing the other book by this artist at some point.

This is a really cute book - I purchased volumes one and two as a gift for an adult friend that loves to color and lives a non-vanilla lifestyle. These types of items aren't that easy to find from mainstream vendors so it was great to see this here.

Artistic, cute, themes run the gambit. If you enjoy coloring such material, I recommend it.

Love this coloring book. I've bought 4 of the first one so far and this one. Tickles the subs
