This is a useful introductory reading for anybody who wants to get familiar with airbnb. Outlines most of the issues that a potential airbnb landlord might face or have to address but not in depth. The writer is Australian whose airbnb activity was acquired at Bali, Indonesia therefore most of the examples and references might not be applicable to European readers

What a joke! This guy had been doing this for 4 months, acquired 3 properties, and somehow he's an expert? There's very little substance to this book. It's mostly common sense. I was hoping to find information specifically about apartment rules and regulations toward what is basically subletting to a different tenant every few months, weeks, or days. No such information in here. Don't waste your time or money.

I have a small investment property that I've been renting out for a few years now, but was definitely interested in making more through AirBNB. My biggest fear was that it was require too much effort, but this book did a really great job in terms of making the approach super straight-forward and relatively low-effort. Overall, the book did a great job at presenting the plus side!

great book,,,,,make it big.... book is very interesting and I was surprised how many good tips you can find in it. Reading this book my confidence is bigger an I know it is possible to make big money simple way..only thing you need to know is how, and that is exactly what you will find in this book.Thank you

This book is packed full of information on how to get extra income through Airbnb. I love how the author goes through his personal experiences. He's been there and done it. I'd recommend this book for anyone that wants to travel and have some extra income.

By the end of it I was sure I could do it. Honestly it seems simple enough. This book gave me just enough to open my mind up.

I love this informative book. So many useful tips that everybody can start implementing into their lives. I highly recommend this book to anyone that wants to increase their financial earning a lot.

Airbnb Entrepreneur is the best choice!

What an useful book it is, lots of new idea's to make money using Airbnb. Thanks Author.
