Ryan Stone has extensive travelling experience over the past 15 years. He has travelled to 26 different countries and 41 states in America. Some of those trips were in service of this great nation he calls home, to include a combat tour in Iraq and two years as a contractor in Afghanistan. Others were for pleasure with his wife of nearly ten years, Melanie. They have two four-legged canine children and spend their free time with family and friends or planning their next vacation. His favorite vacations took place in Italy and throughout the Caribbean. The driving force behind Leavin' the Grind Behind is to assist others in their vacation planning to help make it the best experience

possible. He also hopes to pass on his optimistic outlook on life through hard work, goal setting, and a positive attitude to his readers, so they too can "Just Be." • Ryan Stone is the Founder and Chief Vacationing Officer of Palms N Paradise, LLC, where he has been writing about travel for over three years. You'll find him spending time with his wife on a beach somewhere under the sun.

Enjoyed the book. When I ordered I was looking for more information on the U.S. Virgin Islands. This book would be helpful for the those wishing to vacation in the British Islands. In any case thanks to the author for his insight and his ideas on leaving the grind behind. Additionally, thank you for your SERVICE.

Before you read this, go to the back, get the painkiller recipe, make a few then sit back and enjoy the journey..you feel like you're there experiencing everything at the same time..if you have never been to BVI it will be on your list before you finish reading. And when you do go, bring the book with you...it's the only travel guide you'll need.

This book is amazing! My husband and I recently traveled to the Virgin Islands and this book is almost like being back there again! Such a great perspective on the greatest parts of the islands! Can't wait to read more from Ryan Stone!
