You Wouldn't Want To Be A Viking Explorer! (Revised Edition)

Synopsis

It is the late 10th century, and you are one of a hardy band of young adventurers who plan to sail all the way from Scandinavia to Vinland in North America. Will you survive this arduous voyage in a fragile open boat? This new extended edition includes a map and a timeline of Viking voyages, and a selection of exciting facts.

Customer Reviews

..".informative books, packed full of the facts students often seek. While these books cover material included in other titles, their approach to history will be extremely popular with students who relish a bit of blood and guts along with their historical facts." --This text refers to an alternate Paperback edition.

Andrew Langley is the author of a large number of non-fiction books for both children and adults, many of them on historical subjects. --This text refers to an alternate Paperback edition.

My kids loved this book as part of their home school study on vikings. Can't wait to order more from this series for other units.

My students love this book!

Nice series

This series of books are well designed. The heavy use of pictures with short descriptions are perfect for keeping a child's interest. Just enough information is given with vividly drawn pictures, allowing one to be pulled in and absorbed by the content. My son is 8 and this series totally captivates him! It's a fun book to look at and read through together as well. Quite informative!

Very pleased!

Cleverly written and yet full of interesting facts.

Great, entertaining book

Great!
