Evidence: The Objection Method

Synopsis

This stimulating casebook presents the study of evidence in the context of a trial. It provides transcript-style problems in which lawyers present evidence and argue evidentiary points, and a trial judge is called on to rule. Special effort has been made to update and amplify those problems. Substantive changes for the Fifth Edition include interesting innovations by courts on questions of character evidence and expert testimony; amendments to the Federal Rules of Evidence; issues involving the admissibility of electronic evidence; and Supreme Court developments on the right to confrontation.

Book Information

Hardcover: 1388 pages

Publisher: Carolina Academic Press; 5 edition (June 30, 2016)

Language: English
