Customer Reviews

At Speedy Publishing, we envision our company and publishing arm as being a premier publisher of quick-reference materials, useful reference books, fiction books in all sub-genres and creative non-fiction to both entertain and assist readers worldwide in reading a fun and exciting books and also accomplishing their educational and professional goals. We continually update our products, ensuring accuracy of information, making sure they are fun and entertaining. Our products are always available in whatever format our readers need.

My 4 year old son loves 'spot the difference' puzzles but this is not his favorite. He can find differences but I think the pictures are not really interesting and it would be better for older kids. I have attached photo of few puzzles. There is only 23 puzzles with solutions and the size of the book is 9" x 11".

My granddaughter loves these puzzles.

great for young kids
