# Big Brother Daniel (Daniel Tiger's Neighborhood)

## **Synopsis**

Daniel Tiger is learning to be a good big brother to Baby Margaret in this sweet shaped board book, based on a very special episode of Daniel Tiger's Neighborhood! Daniel Tiger is so happy: He's just gotten a new baby sister! Baby Margaret is very little, and she needs lots of care from Mom and Dad. But not to worry, big brother Daniel is here to help! This adorable story is perfect for little ones who are about to become big brothers or sisters! © 2015 The Fred Rogers Company

Age Range: 1 - 5 years

Grade Level: Preschool - Kindergarten

## **Customer Reviews**

A sturdy colorful board book that gives a positive peek at the perks of being a big sibling, this book is just what i was hoping for. It is not a direct adaptation of the corresponding episodes of the show but it hits all the same major points. It reads more like a day in the life of Daniel as a big brother. It could also stand alone for those that aren't familiar with the characters but want an uplifting sibling book. It does not focus on negative sibling interaction like some do, but instead boosts confidence by talking about how baby's nap can be special time for the rest of the family.

Our toddler (2.5 years old) is a big Daniel fan so he liked this. It's a bit repetitive at times which is annoying for the parents, but obviously toddlers don't care. Practically every page starts with, "You can be a big helper in your family". Baby Margaret takes a bottle, so if you plan to nurse there's

nothing in here for that. I'm not sure I would recommend this to a kid who has never seen Daniel Tiger's Neighborhood. Overall a very cute feel good message about being a "big helper".

I bought this for my 2 year old son ahead the arrival of baby number 2. He enjoys the book and the subject mater is very age appropriate. It teaches him the ways he can help with the new baby. I like the approach as it encourages the older child to participate in the daily tasks of caring for the baby.

My son loves this book and wants to read it frequently. I think it does an excellent job explaining the idea of a new sibling. It helps to make the idea fun and give a sense of being involved in the process instead of just feeling left out because there is a new little one around. I recommend this book for any new big brothers!

My son loves this book so much! I think because it's repetitive with the whole "you can be a big helper in your family" thing, it caught on really fast with him. Now he asks to read this book every night and calls himself a big helper like Daniel!

This book is the perfect gift to give a new big brother or sister on the occasion of their sibling's birth. In the book Daniel deals graciously with the birth of his new sister, and instead of feeling left out he finds little ways to help mom and dad with the baby. Excellent book. Highly recommend

Solid big brother book for a two year old who loves Daniel Tiger. Not a lot of information, but good encouragement for being a "big helper," which my kids love.

We bought this book for our 2.5 year old who is about to become a big sister. We read it so much that she can now "read" it to us.
